CSLO #2 is assessed once every two years in the Spring semester. Assessors assigned by the COB Assessment Committee attend *BSAD30000 Business Communication in the Digital Age* and evaluate student presentations based on the oral presentation assessment rubric created by the COB Assessment Committee. Student presentations in *ORGL45000 Capstone: The Future of Leadership* and *SPMT41000 Research in Sport Management* are evaluated based on the same rubric. Assessment results of oral presentation skills are shared with all COB faculty after the reviews are completed by the COB Assessment Committee.
