

Professional Licensure Disclosure
Lewis University Nursing M.S.N. Concentration and Certificate of Advanced Study:
Psychiatric Mental Health Nurse Practitioner

Lewis University has compiled the following resources to ensure students have information about educational requirements for professional licensure and certification in all U.S. states. The charts below provide links to state licensing agencies and boards of higher education, and reports whether Lewis meets, does not meet, or cannot be determined if it meets licensure or certification requirements for each state.

Requirements for professional licenses vary by state. Additional training, field work, or examinations may be required. Students interested in professional licensure, in Illinois or
